

Overview:

These 3 modern western style villas, located in one of the last peaceful residential area of Naiharn at the bottom of the hill leading to the view point that provides few minutes away from convenient access to Naiharn beach, restaurants, shopping centers, local towns and villages as well as Phuket City.

Set away with only few other private residential western style houses, the villas comprises 2 large en-suite bedrooms. All the villas have the alternative to be furnished or unfurnished. The patio outside terrace is the main place to live with full shelter from the rain or the sun. The kitchen is equipped with European standards

The living area is light and airy with direct access and sight to the terraces and pool. Air conditioning is in all bedrooms and ceiling fans have been installed all around the villas, both in all rooms and outside terraces which give the option to cool the room down anytime of the day or night or to just circulate the natural breezes. The villas have a full security system,

There is an inside laundry area, double garage and plenty of storage space under the house. The gardens are set to provide a low maintenance.
